MEMORANDUM FOR: Deputy Director for National Foreign Assessment

FROM:

Special Assistant for Nuclear Proliferation
Intelligence

STAT

SUBJECT: SA/NPI Staff

This is to request your approval for reconstituting the NFAC staff* that has been very useful to me in working the proliferation problem. A memo for this purpose is attached for your signature. The memo notes that this is an interim measure. Given the substantial work load involved (not only in NFAC, but also in conjunction with NIC and national-level responsibilities) we might want to look at some alternative organizational arrangements at a later date.
